

STAR TECH ELEVATORS
تقنية النجوم للمصاعد

COMPANY PROFILE

Since 2009, We've been a prominent presence in Saudi Arabia, designing and manufacturing top-tier elevators for both Commercial and Residential Buildings.

ABOUT US

Star Tech Elevators stands by the belief, '**Rise Higher, Live Better**'.

Since **2009** It's been a prominent presence in "Saudi Arabia" providing high-quality solutions including panoramic lifts, home elevators, escalators, and passenger elevators.

Our approach covers the entire project lifecycle, from comprehensive site surveys and precise quoting to expert installation, reliable maintenance, and after-sales support

Star Tech offers a complete journey, from product R&D, production, and sales, to high-quality installation, maintenance, and modernization.

In this era we've collaborated with esteemed companies like **Al Futtaim, Toshiba, BLT, Kone,** and many others, showcasing our commitment to excellence in every project. Our portfolio includes many high-profile projects from high-rise complexes to smaller buildings.

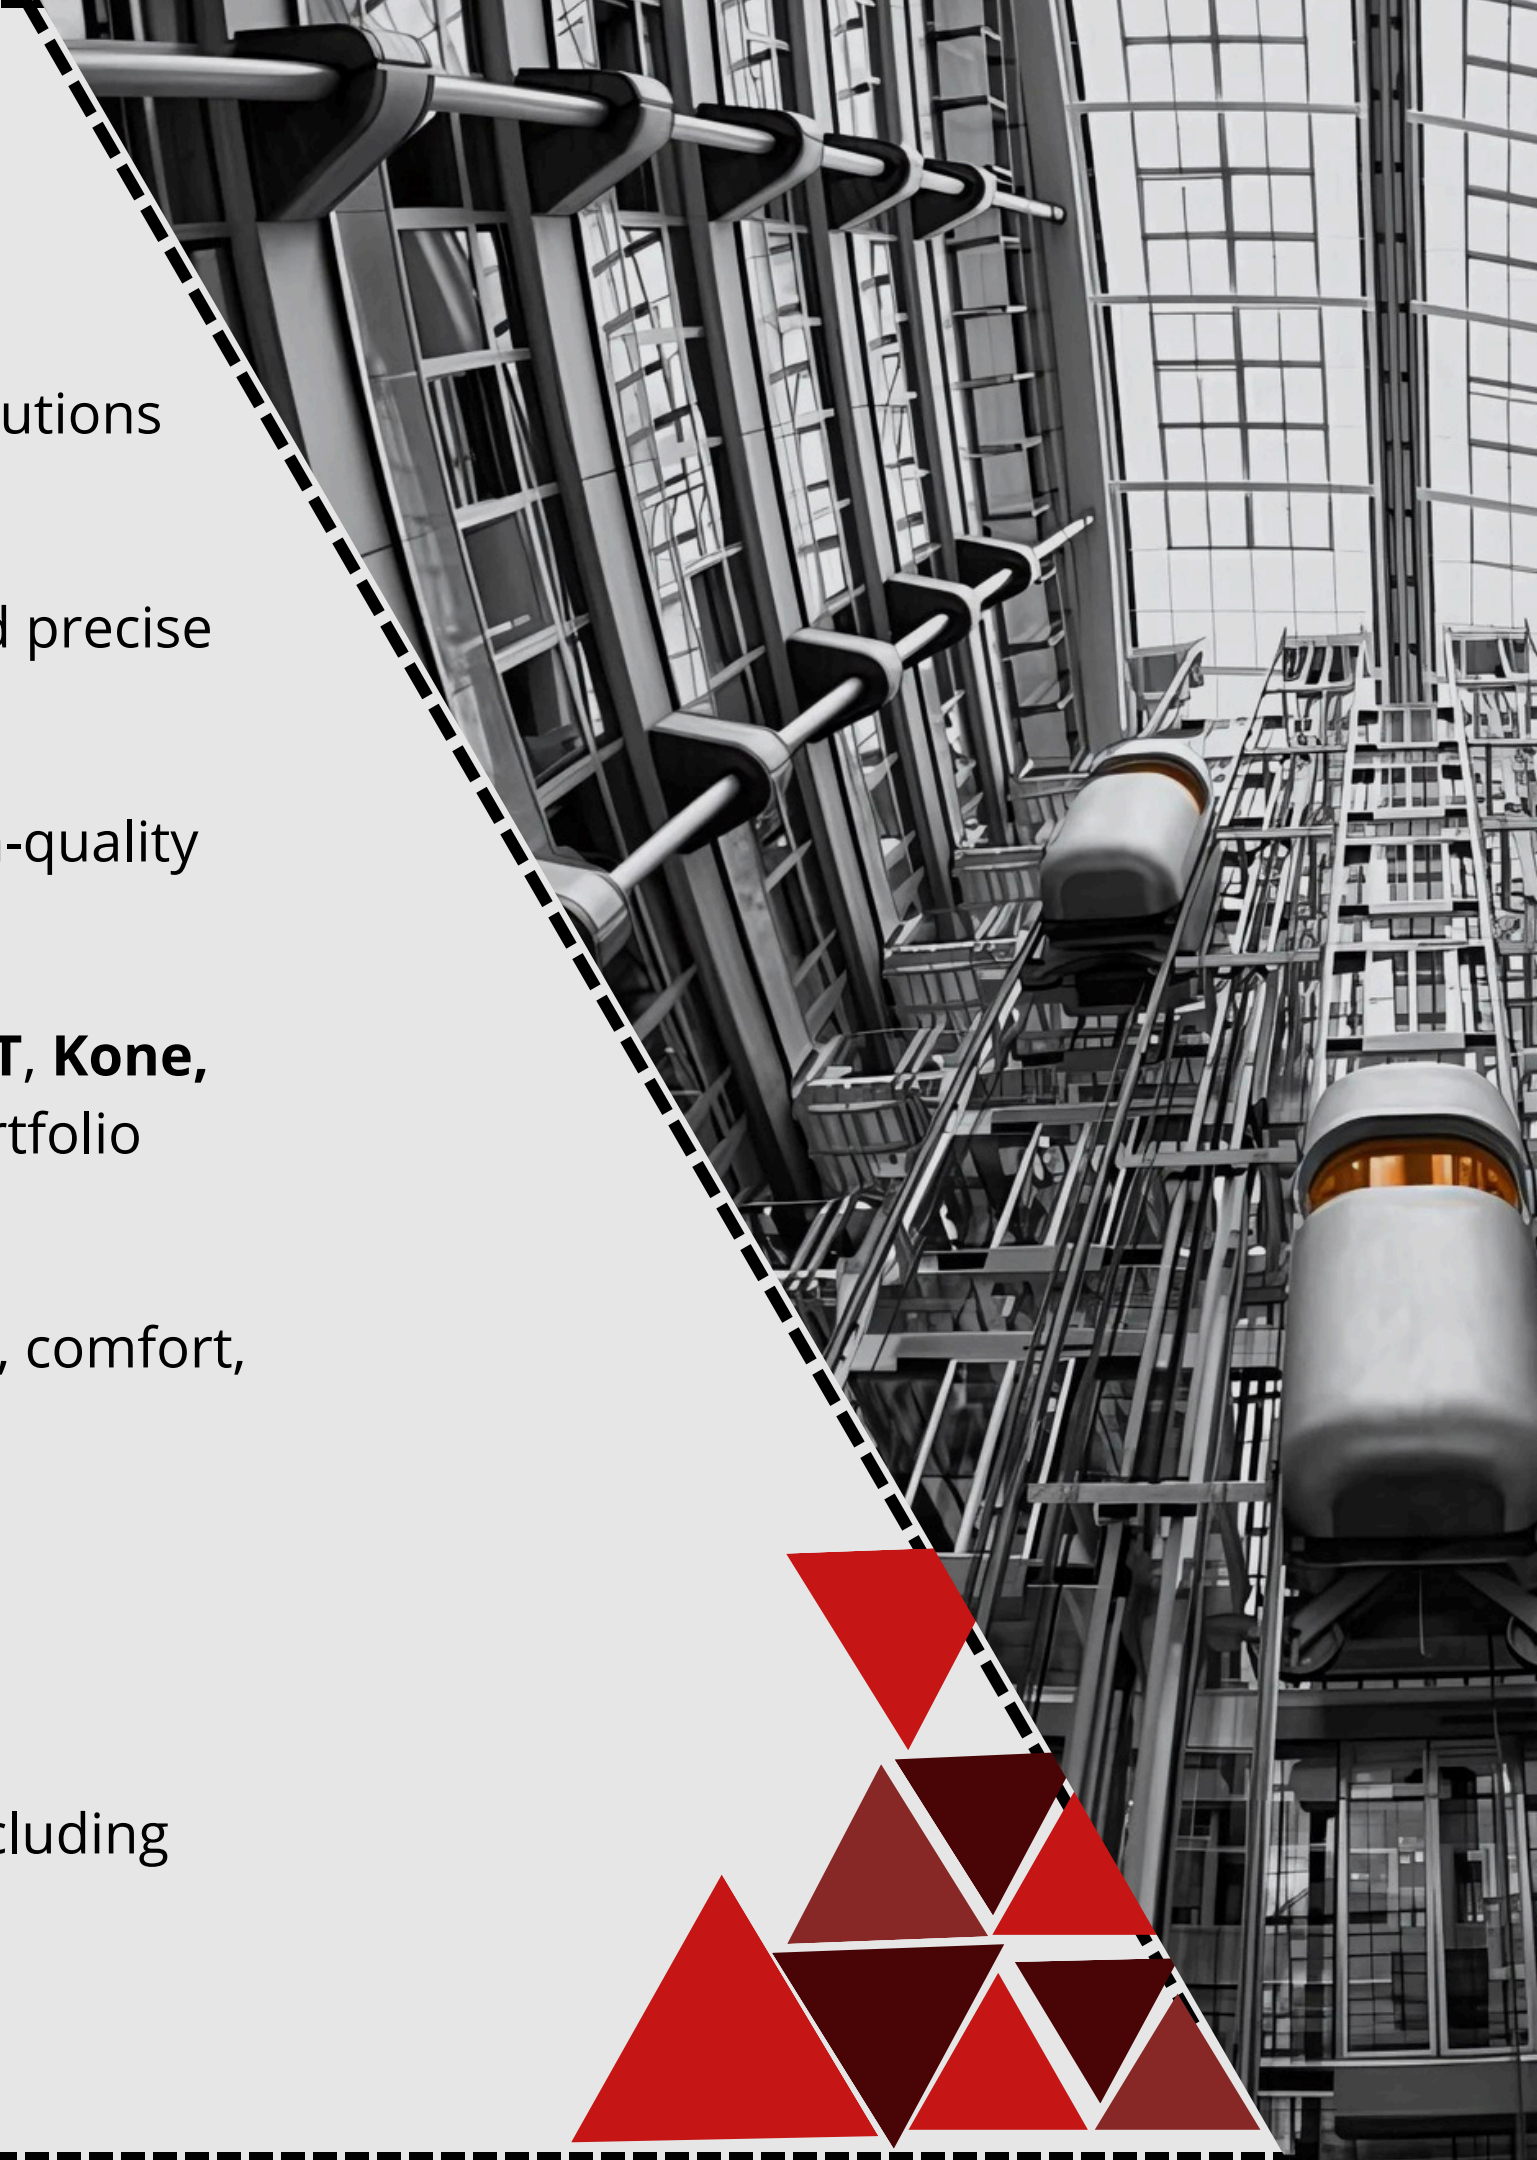

We have a specialized team of trained technicians and engineers who prioritize safety, comfort, and reliability.

Proudly, We maintain the lowest downtimes among competitors

Lastly, We're here **24/7, 365** days a year, to support your needs.

Star Tech's Products are present in many Renowned buildings across Saudi Arabia, including office buildings, airports, shopping centers, and specialized structures

Lift Your Spirits, Lift with us.
